Program 5

Symposium directors

Dr. Teresa López-Fernández

Dr. Susan Dent

Dr. Daniel J Lenihan

Dr. José Luis López-Sendón

Scientific committee

Dr. Anne Blaes

Dr. Christine Brezden-Masley

Dr. Joseph Caver

Dr. Susan Dent

Dr. Michael Fradley

Dr. Daniel J Lenihan

Dr. José Luis López Sendón

Dr. Teresa López-Fernández

Dr. Alexander Lyon

Dr. Sussanath Stanway

Dr. Sebastian Szmit

Speakers

Dr. Riccardo Asteggiano, Turin, IT

Dr. Ana Barac, Washington DC, US

Dr. Anne Blaes, Minneapolis, US

Dr. Christine Brezden-Masley, CA

Dr. Miguel Canales Albendea Madrid, ES

Dr. Javier de Castro Madrid, ES

Dr. Daniela Cardinale Milano, IT

Dr. Joseph Caver Philadelphia, US

Dr. Guiseppe Curigliano Milano, IT

Dr. Andres Daniele Buenos Aires, AR

Dr. Susan Dent Durham, US

Dr. Dimitrios Farmakis Athens, GR

Dr. Mike Fradley Philadelphia, US

Dr. Joerg Herrmann Rochester, US

Dr. Bonnie Ky Philadelphia, US

Dr. Zaza Lakobishvili Tel.Aviv, IL

Dr. Daniel J Lenihan St Louis, US

Dr. Gregory Lip Liverpool, UK

Dr. José Luis López Sendón Madrid, ES

Dr. Teresa López-Fernández Madrid, ES

Dr. Alexander Lyon London, UK

Dr. Peter van der Meer Groningen, NL

Dr. José Luis Merino Madrid, ES

Dr. Javid Moslehi Nashville, US

Dr. Tomas Neilan Boston, US

Dr. Isabel Rodríguez Rodríguez Madrid, SES

Dr. Keith Stockerl-Golstein St Louis, US

Dr. Joe Elie Salem Paris, FR

Dr. Susannah Stanway London, UK

Dr. Thomas Suter Bern, SW

Dr. Sebastian Szmít Warsaw, PL

Dr. Dinesh Thavendiranathan Toronto, CA

Dr. José Luis Zamorano Madrid, ES

Thursday, October, 1st, 2020

14:00-14:10 (CET)

Welcome and introduction

9:00am-9:10am (EST)

*Dr. Teresa López-Fernández, Dr. Susan Dent, Dr. Daniel Lenihan,
Dr. José Luis López-Sendón*

14:10-14:50 (CET)

Cardio-Oncology Care in 2020

9:10am-9:50am (EST)

Chairs: *Dr. Isabel Rodríguez and Dr. Riccardo Asteggiano*

- The essential, the opportune and the optional features, a conversation with *Drs. Susan Dent, Sussanath Stanway and Alexander Lyon* (25min)
- Discussion (15 min)

14:55-15:45 (CET)

Year in Review: The evolving field of Cardio-Oncology

9:55am-10:45am (EST)

Chairs: *Dr. Guiseppe Curigliano and Dr. Keith Stockerl-Goldstein*

- Top Clinical Advances in Hematology. *Dr. Miguel Canales* (12 min)
- Top Clinical Advances in Oncology. *Dr. Christine Brezden-Masley* (12 min)
- Top Basic Science / Translational Studies in Cardio-Oncology. *Dr. Javid Moslehi* (12 min)
- Discussion (14 min)

15:45- 16:35 (CET)

Biomarkers and cardiovascular imaging techniques for Cardio-Oncology

10:45am-11:35am (EST)

Chairs: *Dr. Bonnie Ky and Dr. Daniel Lenihan*

- Improving our insights: biomarkers in daily practice *Dr. Daniela Cardinale* (12 min)
- Role of advanced echo in cardiotoxicity prevention *Dr. Teresa López-Fernández* (12 min)
- How CMR may help? *Dr. Dinesh Thavendiranathan* (12 min)
- Discussion (14 min)

16:40-17:30 (CET) **Translating cardiovascular innovations to clinical practice**
11:40am-12:30pm (EST) **for cancer patients**

Chairs: *Dr. Ana Barac and Dr. Zaza Lakobishvili*

- How to estimate and manage cardiotoxicity risk in cancer patients
Dr. José Luis López Sendón (12 min)
- How do we address heart failure in cancer patients?
Dr. Dimitrios Farmakis (12 min)
- How to manage coronary disease? Prevention & Treatment.
Dr. Peter van der Meer (12 min)
- Discussion (12 min)

17:30-17:50 (CET) **Break**
12:30pm-12:50pm (EST)

17:50-18:30 (CET) **Immunotherapy: Essentials for cardio-oncologists**

12:50pm-1:30pm (EST) **Chairs:** *Dr. Joe Elie Salem and Dr. Thomas Suter*

- Advances in cancer immunotherapy: trends for 2020 and beyond.
Dr. Javier de Castro (12 min)
- Current Detection and Treatment Strategies for ICIs induced cardiotoxicity. *Dr. Tomas Neilan (12 min)*
- Discussion (16 min)

18:35-19:25 (CET) **Anticoagulation and arrhythmias in cancer patients:**
1:35pm-2:25pm (EST) **What do the experts say?**

Chairs: *Dr. Sebastian Szmit and Dr. José Luis Merino*

- What's new in arrhythmia management for cancer patients?
Dr. Michael Fradley (12 min)
- Atrial fibrillation during chemotherapy. *Dr. José Luis Zamorano (12 min)*
- DOACs and LMWH: translating guidelines into practice in cancer associated thrombosis. *Dr. Gregory Lip (12 min)*
- Discussion (14 min)

- 19:30- 20:10 (CET)**
2:30pm-3:10pm (EST) **Could cancer and survivors benefit from better prevention programs?**
Chairs: *Dr. Joseph Carver and Dr. Andres Daniele*
- How to organize a long term survivorship program?
Dr. Anne Blaes (12 min)
 - Cardio-oncology during the COVID pandemic: What we need to know!.
Dr. Joerg Herrmann (12 min)
 - Discussion (16 min)
- 20:10-20:20 (CET)**
3:10pm-3:20pm (EST) **GCOS 21 introduction**
Dr. Christine Brezden-Masley, Dr. Dinesh Thavendiranathan
- 20:20-20:30 (CET)**
3:20 pm-3:30 pm(EST) **Closing remarks**
*Dr. Susan Dent, Dr. Daniel Lenihan, Dr. Teresa López-Fernández,
Dr. José Luis López-Sendón*

VIRTUAL
Cardio-Oncology
SUMMIT

October 1st
2020

Technical Secretariat:

Viajes El Corte Inglés, S.A. C/ Alberto Bosch 13, 28014 Madrid.

Tfo: +34 913 300 755 • E-mail: cardiologia@viajesece.es

Fee Structure

• **ICOS - SEC MEMBERS: 85 euros**

• **Non-ICOS/SEC MEMBERS:**

- Early registration: **100 euros**

- Regular registration: **150 euros**
