

Journal of Cardio-Oncology - Call For Papers

Dear Doctor

We are delighted to announce the establishment of the Journal of Cardio-Oncology (JOCO), an international journal dedicated to the intersection of cardiology and oncology through a multidisciplinary approach. Under the leadership of Dr. Yunlong Xia, President of the First Affiliated Hospital of Dalian Medical University, and the Chinese Medical Association we are excited to invite you to join the Editorial Board.

The Journal of Cardio-Oncology takes a unique approach, prioritizing the multidisciplinary team (MDT) perspective. We aim to bridge the silos of traditional medical specialties, creating a platform where cardiologists, oncologists, nurses, pharmacists, and other healthcare professionals can share expertise and work together to optimize patient outcomes through Cardio-Oncology practice.

We are currently sending out a "Call for Papers." The article processing fee will be waived on behalf of International Society of Cardio-Oncology (IC-OS) China Chapter, as our personal invite to you would ensure the publication of high-quality, impactful research that promotes holistic and patient centred care. We welcome you to send your Original research, Perspectives, Case Report, Review etc.

Journal Details:

Name: Journal of Cardio-Oncology

Language: English

Supervised by: China Association for Science and Technology

Sponsored by: Chinese Medical Association

Publisher: Chinese Medical Journal Co., Ltd.

Editor-in-Chief: Professor Yunlong Xia
